PROFILE

Hello! As a dedicated Junior Software Developer, I'm eager to transition into a software testing role where I can apply my strong foundation in software development and engineering principles. With a keen eye for detail and an analytical mindset, I'm committed to ensuring software quality and reliability. I'm seeking an opportunity at DeNamIT where I can continuously learn and contribute to the team's success with my dedication and work ethic.

WORK EXPERIENCE

Telecom Namibia   2023 - PRESENT

IP - IT Technician in Training

- Develop in-house mobile applications
